- 2) A student will find one question at a time with four options, and the student can attempt either or as under;**
 - Save & Next**
 - Save & Back**
 - Skip / Mark For Review Question**

There will be a pallet below which will show the question and answer status as under;

- YELLOW Colour means you have NOT ANSWERED,**
- GREEN Colour means you have ANSWERED,**
- RED Colour means you SKIPPED the question.**

- 2) A Student can click on question number to navigate during examination from pallet below or can choose drop down also for jumping to any question. A student can SUBMIT AND EXIT only after 30 minutes from the scheduled commencement of the examination by jumping to the last QUESTION (50th question).**
- 3) In case of disconnection of network / power failure during the test, the test can be resumed by logging in again in the same device within 10 minutes from the instance of interruption with permission of the Proctor and Technical Support Team / Help Line. The University will not be responsible for the time loss due to any malfunction of your computer / mobile pertaining to (but not limited to) Hardware, Software, Internet connectivity, Power issue etc.**
- 4) The System is using Artificial intelligence to detect and record face emotions, pupil movement and all activities, but are not hindrances to one's examinations.**
- 5) A Student is not allowed to access internet or consult other people for any information during the whole time of examination session. Student is also not allowed to take photos or record videos of the examination and share it with others. If found doing such activities, student will not only be declined to continue the examination by the Proctor, and shall also be debarred from appearing further examination as per the regulation(s) of the University.**
- 7) If a student indulges in suspicious and objectionable activities as detected and recorded by the system, the proctor can pause and even cancel student on-line examination.**
- 8) For smooth attempt of the online examination, Students are advised to:**

- a. Sit in a closed room having enough light for Camera to detect. Make sure you are sitting opposite of light with a wall behind you. Do not sit against or near the window.
 - b. Keep minimum 2 hours power backup before your examination.
 - c. Sit near the Wi-fi Router / Modem to avoid any signal related issues.
 - d. If using Mobile hotspot then make sure that phone is connected to charger and do not use the same mobile for calling or attending calls as it stops the internet connectivity.
 - e. Please make sure that there is no noise around you during the examination, otherwise AI will detect and warn you for the same.
- 9) If the screen is freezing during examination, then check the internet connection. If the screen get any script message click on "Yes", then also check your internet connection.
- 10) Before examination make sure that the internet connection should not be disconnected; otherwise the answers will not be saved.
- 11) In case any student gets disconnection from Server due to Power or Internet failure and student is not able to login again within 15 minutes, the examination will be terminated.
- 12) The following activities are not permitted during conduct of online examination:
- Presence of any other person in the room where students is sitting for examination.
 - Use Mobile only for Internet Connection-Hotspot (if using Laptop/Desktop).
 - Use of Bluetooth speaker or any remote device is strictly prohibited.
- 13) The Online Examination system will issue regular warning sign in the screen. The number of warnings issued to each student will be duly recorded in the online examination system. In addition to the auto proctoring by the online examination system, Manual Proctors (Invigilators) will continuously watch and monitor the students during the entire duration of the examination.
- 14) The students are advised not to indulge in any activity which is not permitted remotely by the manual proctor (invigilator).

- 15) Students should follow the instructions of the online invigilator (proctor) and if required, the student can chat with the proctor for any support, by clicking on the chat button.
- 16) If the student is getting frequent message “Connect4MExams is not responding”, please check your internet speed. You need to have 1 Mbps or a min 3G internet speed throughout the examination.
- Please remove all other connections connected to the Wi-Fi / modem / mobile hot spot, which is used for the examination.
 - Please check your internet speed at www.fast.com.
- 17) If the Internet speed is less than 1 Mbps/3G, it will be difficult to write exam. If student try to take the exam, he/she might have network speed issues, where the system will ask to restart the browser, or restart the exam. So 1 Mbps/3G internet speed is required throughout the exam.
- 18) A mock test will be conducted on 25.08.2023 (02.00 pm to 05.00 pm) and 26.08.2023 (11.00 am to 02.00 pm). Duration of the Test is 30 Minutes. Students need to login and complete the mock test by following the instructions. Students can take the test on both the days at any 30 minutes.
- 19) Two Mock Tests will be conducted for the candidates to get familiarity with the on-line exam. Duration of Mock Test: 30 Minutes, 25 MCQ. The Login ID & Password will be intimated to the candidates by email/ sms on 24.08.2023 (Thursday) evening. Tele support number will be given in the email. Students can call for any technical assistance.
- 20) Student can take the exam from Desktop/Laptop and Android Mobile. It is mandatory to use the same device for mock test and actual exam.
- 21) The duration of the Ph.D entrance exam is 75 Minutes. The test will be auto submitted after the completion of the total duration of the examination.

The Login ID & Password will be same for Mock Tests and Actual Exam.
